Explanation of significant increases in the budget:

The tax rate remains at \$8.10 per thousand which results in more dollars due to increased valuations which is needed because of higher costs of maintaining city equipment and properties and the substantial increases in insurance for cities.

If applicable, the above notice also available online at:

*Total city tax rate will also include voted general fund levy, debt service levy, and capital improvement reserve levy.

**Budget year effective property tax rate is the rate that would be assessed for these levies if the dollars requested is not changed in the coming budget year
